All efforts will be made to treat parent seed orders. If you require untreated, please notify the USG office.

New Parent Seed prices will be \$20.00 Untreated, \$22.50 Fungicide Treated, \$25.00 Fungicide/Insecticide Treated

◊ USG 3118 is a Blue-Tag Certified variety. You must plant Foundation or Registered to produce Certified Seed to sale.

All orders are due by Monday August 29, 2022.

Orders received after Aug 29, 2022 will be filled on first come first served basis with seed still available.

Fax to: 931-996-4080 or email to sburwick@usgseed.com

I am interested in growing a new USG Breeder Seed this fall and would like more information.

New Breeder variety descriptions and data will be forwarded to you once licensed
