DATE

**Please attach a copy of the first sale invoice and the replant invoices.**

**The replant refund is only eligible for USG replants with USG seed on both sales.**

USG will mail refund check to USG Licensee for distribution. USG will submit replants to Bayer, Corteva, MS Technologies, and or BASF for you.

**Due date July 26, 2023**

## USG 2023 Soybean Replant Policy

- \$5 for USGT Check Issued from USG to USG licensee.
- \$30 for Xtend™ on approved replants from Bayer. Refunded to USG. Check issued from USG to licensee.
- \$30 for XtendFlex™ on approved replants from Bayer. Refunded to USG. Check issued from USG to licensee.
- \$25 for LibertyLink® on approved replants from BASF. Price discounted on replant seed sale.
- \$20 for Enlist E3™ on approved replants from Corteva. Price discounted on replant seed sale.

**We suggest the USG Licensee contribute an additional \$5/unit in addition to the above USG replant.**

USG Licensee who sold seed originally will refund to Distributor and/or Dealer the cost difference for the re-plant seed. All replants must be reported to the USG office by **July 26, 2023** to be eligible for replant credits. **Anyone having replant situations should contact the USG office for clarification on these procedures.**
